FIGURE 9

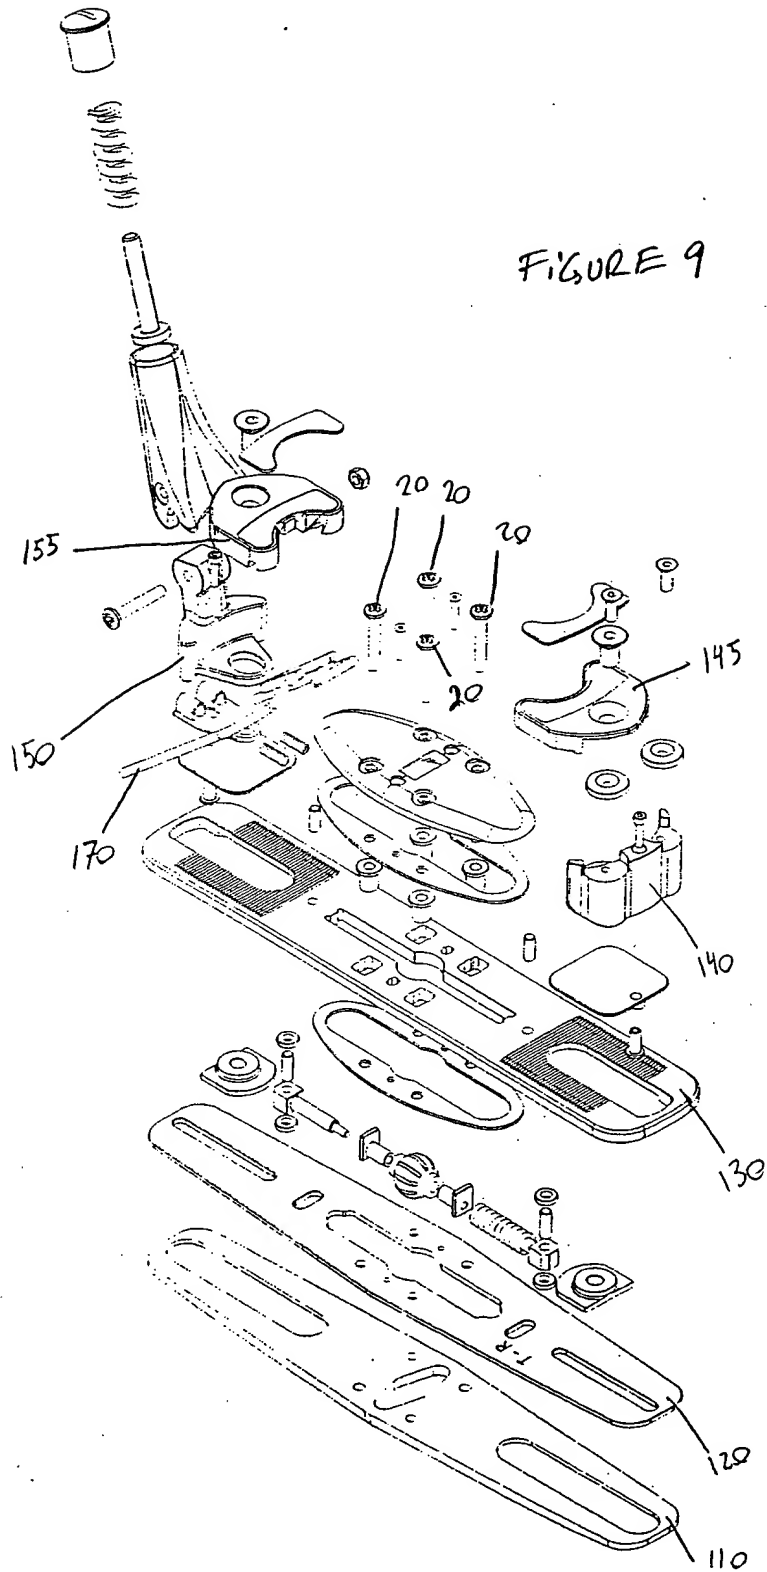

FIGURE 10

This exploded perspective view shows the assembly of a mechanical device. The main components are labeled as follows:

- 310**: A large, elongated rectangular base plate with a central slot and a gear mechanism on the right side.
- 320**: A long, thin rectangular component with a central slot, designed to fit into the slot of component 310.
- 330**: A small, curved, wedge-shaped component located near the gear mechanism of component 310.
- 340**: A small, rectangular component with a central slot, located near the bottom of component 310.
- 350**: A complex, multi-ported component with a central vertical port and two side ports, located at the top of the assembly.

The diagram illustrates the spatial relationship and alignment of these parts for assembly.
